#### **Gasification Technology Conference – FrontStreet Financial Panel**

At the October 4, 2004 meeting of the Gasification Technology Council, FrontStreet Partners presented a panel of key financial executives to discuss the financing of Integrated Gasification Combined Cycle (IGCC) projects. This panel was presented as part of an engagement with the Department of Energy.

The panel consisted of experts from a cross section of financial institutions and private equity funds. The panel included:

- David Crikelair (Moderator) – Managing Partner, FrontStreet Partners
- Frank Kelty – Senior Consultant, FrontStreet Partners
- John Barry – Chairman & CEO, Prospect Energy Corp
- Glenn Payne – Vice President, First Reserve Corp
- Richard Randall – Senior Vice President, Royal Bank of Scotland
- Tom Sikorski – Managing Director, First Reserve Corp
- Edward Weihman – Managing Director, Dresdner, Kleinwort, Wasserstein, LLC
