

SKI BOWL VILLAGE AT GORE MOUNTAIN

FRONTSTREET MOUNTAIN DEVELOPMENT, LLC

Ski Bowl Mountain Inn Approved for Major Empire State Development Grant:

North Creek, New York – December 28, 2018: FrontStreet Mountain Development today announced that the *Ski Bowl Mountain Inn* project has received formal approval for an awarded under the Empire State Development Grant program. The 2018 CFA Awards were just announced by Governor Cuomo.

The Ski Bowl Mountain Inn has been recommended for an award of up to \$800,000 from the Empire State Development Grants program. This Grant will be administered by the ESD's Capital District Regional office and is conditional and subject to an Incentives Proposal to be signed in the near future with the ESD.

The Ski Bowl Mountain Inn is one of five hotel projects included in the FSMD Class A Permit issued by the Adirondack Park Agency. The Ski bowl Mountain Inn is a forty-room county inn to be located slope side to Gore's ski trails in the Ski Bowl. The project will be built in Phases and the Grant covers the first phase, which will include the main Lodge building and one ten-unit Guest cottage. An additional five guest cottages, containing two to ten guest rooms each (for a total of thirty additional rooms), will follow in subsequent phases.

The *Ski Bowl Village at Gore Mountain* project is located at 79 Ski Bowl Road, North Creek, NY. includes over 400 acres of land located at the site of the Historic North Creek Ski Bowl. Ski Bowl Village offers Great Camp Lodges, building lots and single-family homes. It will be developed in phases and when completed will include hotels, townhouses lodges, private residences and various sporting venues.
